More information can be found online at www.YouthInTheArts.org

Youth in the Arts is a grassroots movement made up of college and high school students, college graduates, and a few adults - People who are passionate about the arts; people who want to make a difference. People who want to change the way that our communities view the arts. Our mission is to provide Young Adults with positive, engaging, and educational experiences in the arts and to revitalize the participation in and appreciation of the arts.
